Sponsor A Child \$2,011

Provide hope by sponsoring one child and their family coming to The CAC seeking safety and healing from our Multidisciplinary Team of highly trained professionals. Sponsoring a child provides them with the full suite of services offered to children and families including a forensic interview, a medical exam, mental health services, and a family advocate. Team members work together to provide the child and family with the support services they need – all the way through trial and beyond. Those who sponsor a child will receive:

- Acknowledgement during event program
- + on social media
